SINCE 1822

Royal Agricultural Society of NSW

Welcome from the President

Thank you for entering one of our Sydney Royal Competitions and congratulations to all entrants who were successful in winning a prestigious Sydney Royal medal.

Our Sydney Royal Competitions continue to attract a remarkably high standard of entries from across the country. These Competitions provide producers with an important platform to benchmark their products and to be rewarded for agricultural excellence.

Winning a Sydney Royal medal has the power to elevate a product in the consumer's eye and provide producers with commercial and marketing benefits, so I encourage all winners to take advantage of this great opportunity.

Each year, we review our Competitions to ensure they remain relevant to industry standards and consumer trends. I hope you enjoyed any new changes or improvements in your Competition area this year.

Our Sydney Royal Competitions are renowned for their fair yet rigorous judging process to ensure the 'best of the best' are awarded. The standards set at our Competitions are recognised across Australia, highlighting the integrity of our Competitions. I wish to thank all the judges for their time, knowledge and effort this year.

I would also like to extend my gratitude to all associated sponsors who support the ongoing development of our Sydney Royal Competitions each year.

I look forward to seeing winning producers enjoy the commercial benefits of Sydney Royal success. Thank you again for supporting the Royal Agricultural Society of NSW and I encourage you to enter again next year.

A handwritten signature in black ink, reading 'Robert M. Ryan'.
